Using Your Aged Care Funding for Home & Garden Maintenance.

Simple guide for families

Section 1 — Signs Garden Maintenance May Be Needed

- Lawn becoming difficult to manage
- Overgrown hedges or pathways
- Outdoor areas becoming unsafe, trip and fall hazards present.
- Family unable to keep up with maintenance.
- Inability to kneel and work at lower levels

Section 2 — What Services Can Be Funded

- Lawn mowing
- Garden maintenance
- Hedge trimming/pruning
- Pressure cleaning
- Safety improvements (paving, garden edging, raised beds)

Section 3 — If You Already Have a Home Care Package

Step 1

Contact Fortitude Property Maintenance for a meeting and quote.

Step 2

Tell your care manager:

“I would like Fortitude Property Maintenance to provide my garden and home maintenance services.”

Step 3

Your provider will approve the work and manage payment through your package.

Section 4 — If You Don't Have Funding Yet

Step 1

Apply for aged care support through **My Aged Care**.

Step 2

You may be assessed for a **Home Care Package**.

Step 3

Once approved, **you can choose** service providers for maintenance.

When your package is active, you can request Fortitude Property Maintenance as your provider.

Section 5 — What We Provide

- All Garden Maintenance - Lawn mowing & edging, hedging & pruning, weeding & planting.
 - Mulching
 - Raised garden bed construction for accessible gardening
 - Pressure washing- help prevent slippery surfaces and fall hazards
 - Paving for even, trip-free walkways
-
