[Section 4](#) - If You Don't Have Funding Yet

[Section 5](#) - What We Provide

[Section 6](#) - Contact

## **Section 1 — Signs Garden Maintenance May Be Needed**

- Lawn becoming difficult to manage
  - Overgrown hedges or pathways
  - Outdoor areas becoming unsafe, trip and fall hazards present.
  - Family unable to keep up with maintenance.
  - Inability to kneel and work at lower levels
- 

## **Section 2 — What Services Can Be Funded** (subject to provider approval)

- Lawn mowing
  - Garden maintenance
  - Hedge trimming/pruning
  - Pressure cleaning
  - Safety improvements (paving, garden edging, raised beds)
- 

## **Section 3 — If You Already Have a Home Care Package**

### **Step 1**

Contact Fortitude Property Maintenance for a meeting and quote.

### **Step 2**

Tell your care manager:

“I would like Fortitude Property Maintenance to provide my garden and home maintenance services.”

### **Step 3**

Your provider will approve the work and manage payment through your package.

---

## **Section 4 — If You Don't Have Funding Yet**

### **Step 1**

Apply for aged care support through **My Aged Care**.

### **Step 2**

You may be assessed for a **Home Care Package**.

### **Step 3**

Once approved, **you can choose** service providers for maintenance.

When your package is active, you can request Fortitude Property Maintenance as your provider.

---

## **Section 5 — What We Provide**

**All properties are internally assessed to determine needs. Once approved and work commences, we conduct periodic reviews so you can see the results of our work.**

- All Garden Maintenance - Lawn mowing & edging, hedging & pruning, weeding & planting.
- Mulching

- Pressure washing- help prevent slippery surfaces and fall hazards

We also offer (quoted separately):

- Raised garden bed construction for accessible gardening
  - Paving for flat, trip-free walkways
-
